

When you reflect on an event that happened recently describe what happened and how you felt at the time. Which was your most dominant emotion?
Describe what followed. Include both your thoughts and behaviours.
Describe what followed. Include both your thoughts and behaviours.
Describe what followed. <i>Include both your thoughts and behaviours.</i>
Describe what followed. Include both your thoughts and behaviours.
Describe what followed. Include both your thoughts and behaviours.
Describe what followed. Include both your thoughts and behaviours.
Describe what followed. Include both your thoughts and behaviours.
Describe what followed. Include both your thoughts and behaviours.

After reflecting on this, what do you think you could have done differently?
What would your most cherished desire be if the same event happened again?
What action will you take now? What can you do differently?
